

• MAKE IT PERSONAL •

I know that I cannot model for my children what I do not personally make a priority in my own life. I am going to do the following two things so that I begin making a consistent investment in myself to be the kind of parent that God wants me to be.

•

•

I know that I cannot model for my children what I do not personally make a priority in my own life. I am going to do the following two things to invest in my relationship with my heavenly Father.
